Actuary (m/f)

Join our team. Your future starts here.

Swiss Life Global Solutions offers a broad range of tailored cross-border insurance solutions for wealthy individuals to obtain a suitable integrated wealth planning and for international companies to address the Employee Benefits needs of their local and mobile employees.

As part of the Market Unit International of Swiss Life Group, one of Europe's leading comprehensive life, pensions and financial solutions providers, Swiss Life Global Solutions is currently recruiting for its Luxembourg office.

Your Role

- Participate in the certification of the statutory provisions and analysis for the closing of accounts
- Be involved in the Swiss Solvency Test and Solvency II calculations
- Calculate New Business profitability figures
- Contribute to deliver the regulatory and internal reporting requirements
- Provide business support to the operations and sales team
- Participate in IT project specifications and testing

Your Profile

- Master's degree in Actuarial Science
- At least 2 years of experience in life insurance
- Fluent in English, French or German is a plus
- Proactive attitude, strong willingness to learn
- Highly motivated team player, able to deliver results and to cope with tight deadlines
- Good knowledge of the Microsoft Office package, especially Excel
- VBA or Prophet IT skills is an asset

Our Offer

- A permanent employment contract and a varied work in a human-sized environment, within a motivated and multicultural team;
- A company culture characterized by its openness, clarity, proximity and a high level of employee expertise;
- An attractive salary package in accordance with your education and experience, including fringe benefits such as lunch vouchers, pension scheme and health insurance.

What about building our futures together, with enthusiasm and engagement?
If you join Swiss Life Global Solutions, challenging tasks await you in a performance-oriented working environment. We value a high level of commitment and are looking for employees who show initiative.
